FEEDBACK RECOMMENDATION REPORT

Feedback Report

The institution conducts student feedback process annually to improve teaching, infrastructure, and the entire learning experience for the students during their study. The college has instituted an online students' feedback system to obtain feedback on teaching, coursework and various academic activities. The students' feedback is considered as a valuable source of information to measure their level of satisfaction. The objective of the organization is to continuously upgrade knowledge base of our students, improve infrastructure, use of latest technology/pedagogical tools, and update curriculum through periodic feedback from stake holders to enable students to meet professional requirements and their expectations. The feedback collected from the students and alumni for curriculum and suggestions are placed in CDC meetings. Analysis of all collected feedback done on the employability and value based education. The effectiveness of faculty members in content delivery and assessment is evaluated. Based on the feedback, strategy is developed and deployed.

The parameters to which the feedback is provided are as follows:

- Organization of the subject matter in a logical sequence
- Faculty coming to the class on time and engaging regularly
- Preparation made by the faculty on the subject
- Faculty's knowledge on the latest developments in the subject area
- Faculty's ability to maintain discipline in the class
- Assistance and Counseling offered by the faculty to the needy students
- Faculty's appreciation and feedback on the students' performance
- Ability to take class audibly and clearly
- Usage of various methods and materials like OHP Presentation to take class
- Ability to write and draw legibly
- Teacher's ability to explain the concepts well and provide adequate examples

FEEDBACK SYSTEM

FEEDBACK RECOMMENDATION REPORT

- Ability of the faculty to give instructions to the students according to their understanding
- Fair and impartial valuation of the answer papers
- Regular conduction of assignments, tests and return the answer papers on time.
- Feedback is also collected from the parents during Parent Teacher Meetings (PTMs) that are organized by the college. Suggestions and comments given by the guardians are also taken into account for future development.
- The different areas where improvements are required are discussed in respective committees/departments.
- The proposals given by the different committees and departments are discussed in CDC of the college for necessary action. Strengths of the college are also taken into consideration for further up gradation .
