FEEDBACK ANALYSIS REPORT

SESSION- 2016-17

Students' feedback is an effective tool for measuring and assessing the development of the institution. We collect feedback from students, parents, and alumni on a regular basis. The feedback is taken on teaching-learning process, teachers' quality, infrastructure facilities, student-support systems, syllabi etc. as follows:-

a. Students: We take feedback from students. The feedback about teaching-learning process and teachers' quality. This feedback is taken through a specially designed questionnaire and the students are identified as sample respondents covering each and every class of each and every academic programme.

b. Parents: The college has set up an exclusive Parent-Teacher Committee which conducts P/T meets once a year in the month of December. Parents of students from all departments are invited to the P/T meeting where parents express their views on both the performance of their wards and also the performance of the college. Parents are also required to fill the specially designed questionnaires which seek feedback on teacher, results, infrastructure, and expectations etc.

c. Alumni: The College doesn't have registered Alumni Association. However the Alumni Association conducts its programmes for which the college provides infrastructure. In addition, the college has also started compiling data of all those alumni who are in touch with the college independent of the registered Alumni Association. Further, an appeal also has been made to alumni to submit their feedback on their alma mater through a specially designed questionnaire which has been made available on the college website. Feedback is sought on alumni's willingness to associate/ readiness to engage with college's development plans.
