Annual Gender Sensitization Action Plan Session -2023-24

In today's world we can see that women are not safe even in their homes and the atrocities on women are increasing. The woman in any society is an indicator of the overall progress of that society. Various platforms such as Women's Dispute Redressal Committee, NSS. etc. create awareness and sensitivity to social problems, and challenges faced by women, and to deliver various gender sensitization programmes. Since Our institute, Renuka College is a co-education institute; we also get girl students also from nearby villages and suburban areas. Keeping in mind girls' multifarious problems which they encounter in any working place and in an attempt to empower them, the college has come up with this unique project, 'UDAAN' (Flight). Under the project we help the girl students by making them aware of health, hygiene, women related laws, self-defence and safety. We conduct various programmes to orient them in female related problems and challenges. As per govt. directives to keep a sanitary vending machine, we provide them this facility free of cost as and when it is required. Giving them training in self-defence and safety tips is our prime objective. Moreover, they need awareness in health and hygiene related issues.

Every year the student's executive body of Women's Redressal Committee is chosen by the committee members and the installed office bearers are designated as the 'Gender Champions of the college.

The Goal of the college is –

- To sensitize the girl students regarding health and hygiene issues by organizing training programmes, seminars and check - up camps.
- To help the girl students in dealing with legal hassles regarding sexual harassment, molestation and exploitation by arranging legal counselling and personal counselling.
- To provide them free sanitary napkins in college premises as and when required by them.
- To provide them training in self-defence for their personal security and safety such as yoga, karate and new safety gadgets and tricks.

- To boost their confidence through motivational and confidence building initiatives through rallies, slide shows, film screening, street plays on women related issues.
- To motivate the girl students to emulate the trend setter women achievers who braved all the opposition to pave their path of success.
- To give them counselling for job opportunities and job oriented training as well as placement drive specially for women.

The aim of Women's Redressed Committee is to Gender sensitization has been picked up since the inception of this project as boys are also made aware of women related issues, like domestic violence, female foeticide mutual respect etc. After imparting health and hygiene tips, there is evident change in the health related issues of the students. Every year such camps are organized.

The college through various forums plans to carry out the following activities to achieve the goal of bringing about Gender sensitization –

sn	Programme	Plan
1.	Gender Sensitization Programme	To sensitize the students on the gender discrimination, aware of women related issues, female foeticide mutual respect, to Know the legal rights of a women and gender equality etc. programme will be conducted.
2.	Women safety and Awareness Programme	Awareness on being fit and healthy, both physically and mentally is the need of this time.
3.	Self Defence Programme	After imparting karate training and guidance in personal safety, our girl students are confident enough to face any such untoward incident.
4.	Women Honoring Ceremony	Celebrating women of achievement contributing to sustainable development.
